

NEW BOATER SPECIAL

SAVE 10% ON YOUR FIRST YEAR AT BAY POINT MARINA

10% OFF MONTHLY DOCKAGE FOR 12 MONTHS

Looking for a new home for your boat? Sign a qualifying 12-month slip agreement at Bay Point Marina and enjoy 10% off base monthly dockage during your first year.

How to qualify

- Be a new Bay Point Marina customer (no slip agreement during the preceding 24 months).
- Sign a 12-month dockage agreement and promotional discount addendum during November 1, 2026 – March 31, 2027.
- Provide current vessel registration and insurance meeting all dockage agreement requirements. The discount begins only after both are approved.
- Keep registration and insurance current and all invoices paid on time throughout the promotional period.

What to expect

The discount applies only to base monthly dockage, not electricity, utilities, deposits, taxes, late fees or other charges. The 12-month promotional window begins on the lease start date; late documentation does not extend it, and discounts are not retroactive. Regular rates apply after the first year.
